

You Belong at Baystate

NOW HIRING AT BAYSTATE FAMILY ADVOCACY CENTER: Clinical Psychologist & Behavioral Health Clinician II

Join a system where your voice matters, your skills grow, and your impact is immediate.

Baystate Health is a not-for-profit, integrated healthcare system in western Massachusetts which consists of an academic medical center, Children's Hospital, three community hospitals and the region's largest multispecialty group. Baystate Children's Hospital is a Level II Trauma Center with subspecialists across 15 divisions. The Baystate Family Advocacy Center is a division of the Department of Psychiatry & Behavioral Health.

HIGHLIGHTS:

- We are a nationally accredited Children's Advocacy Center (CAC) and a proud member of the National Children's Alliance, the MA Children's Alliance, and the National Child Traumatic Stress Network.
- Join our team of physicians, case managers, and behavioral health providers in providing family-centric outpatient care in Springfield MA.

Clinical Psychologist & Behavioral Health Clinician II (1 each available):

- Provide individual, family and group therapy and utilize evidence-based, trauma- and grief-focused treatments.
- Clinical populations include:
 - Children, adolescents, and their families who have experienced trauma, including child abuse, sexual assault or exploitation, exposure to violence, and/or traumatic grief, in a trauma specialty clinic/CAC.
 - Clients across the lifespan who have been impacted by attempted homicide or homicide/vehicular homicide.
- Support children and families in navigating the complex systems they face as a result of trauma.
- Participate in outreach and survivor-driven programming to support empowerment and build community resilience.

Minimally Required Experience: graduate-level knowledge of developmental stages, personality structure and development, behavioral health diagnoses, current treatment modalities, therapeutic processes, ethical guidelines, and a trauma-informed approach to care.

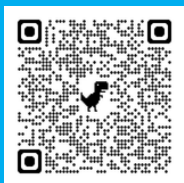

Minimally Required Education: Doctorate, Clinical Psychology OR Independent Licensure: LICSW, LMHC or LMFT in MA
